To: Tennessee State Fair Board

We, the undersigned, are concerned that a historic part of Nashville is at risk.

The Tennessee State Fairgrounds as well as the racetrack currently known as Music City Motorplex (also known in the past as Nashville Speedway USA, Nashville Motor Raceway, and other names) are a historic part of Nashville, and losing those facilities would be a tragic loss to the culture of Nashville. Relocating the Tennessee State fairgrounds and Nashville racetrack is impractical and would be almost impossible to do.

Therefore, we respectfully ask that the Tennessee State Fair Board do whatever it takes to make sure that the Tennessee State Fair and racing stays at this historic facility on a long term basis.

Sincerely,

The Undersigned
